

Université de Savoie – Cours de Master

Modélisation d'architectures logicielles (Modelling Software Architectures)

Pr. Flavio OQUENDO
flavio.oquendo@univ-savoie.fr

Outline

- 1. Introduction to Software Architectures**
- 2. Introduction to Architecture-based Software Engineering**
- 3. Overview of Styles for Architecting Software Systems**
- 4. Analysing Style-based Software Architectures**
- 5. Describing Software Architectures: Approach, Issues, Concepts, Languages**
- 6. Architecture Description Languages: ACME, WRIGHT, ARMANI, DARWIN, AW-ADL**
- 7. Architecture Refinement Language: AW-ARL**
- 8. Frontiers of Software Architecture**
